KITCHEN

Uncover inspiration in our kitchen tile collections.

The kitchen is where life gathers, and tiles play a quiet but powerful role in shaping the space.

Our styles bring together texture, colour and form to create surfaces that feel alive with character.

From soft, natural tones to striking statement pieces, each collection is chosen to inspire new ideas and transform the everyday.

BATHROOM

Enter the quiet elegance of our bathroom collections.

Created to bring a sense of ease and retreat, these collections turn everyday routines into moments of calm.

Soft surfaces, natural hues and considered details work together to shape bathrooms that feel balanced and restorative.

Each collection speaks to refinement and purpose, offering a foundation for spaces designed to nurture and renew.

MATERIA COLLECTION

Materia is a porcelain collection that draws on the soft movement and depth of Venetian plaster, reimagined with a contemporary edge.

Offered in 9 refined colours across both cool and warm tones, every shade is crafted with precision and elegance.

Available in 6mm and 9mm formats, Materia transforms surfaces with a balance of subtlety and strength.

DECORATION

Our decorative tiles are made to bring warmth and character into every space.

With gentle patterns, soft tones and thoughtful detail, they create a feeling of comfort while adding a touch of personality.

Perfect for kitchens, bathrooms or living areas, these tiles turn simple surfaces into inviting backdrops for everyday life.

DANDY COLLECTION

Dandy is a porcelain collection that reimagines the elegance of marble with 3 classic colours- white, green and black and 17 patterned tiles for endless wall and floor possibilities.

Each element can be used alone, layered or combined, while ceramic 3D wall decorations in the same colours and patterns add depth and character.

Dandy inspires creativity, offering countless combinations to transform any space with distinction.

COLORE COLLECTION

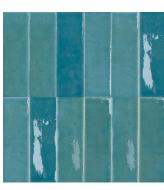

Colore moves gracefully through a spectrum of shades, from soft and understated to bold and dramatic.

This delicate ceramic subway tile celebrates subtle variation, where no 2 pieces are quite the same. The quiet shifts in tone and detail create a surface that feels natural, elegant and full of character.

Colore reveals beauty in imperfection, transforming the ordinary into something distinctive.

AMARCORD COLLECTION

Amarcord reflects the warmth and richness of memory. Its name, meaning "I remember," captures the gentle pull of the past through moments coloured by feeling, light and texture.

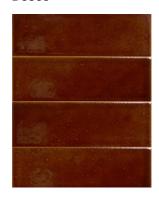

Each 5x15 cm porcelain tile carries depth and variation. The palette moves through tones of honey, amber, tobacco and forest, creating a surface that feels lived in yet timeless.

PORCELAIN PANELS

Porcelain panels are made to endure.

Naturally resistant to scratches, stains and heat, it is an effortless choice for benchtops that need both beauty and strength.

Hardwearing yet elegant, porcelain withstands daily use with ease from busy kitchens to outdoor BBQs and refined bathroom vanities, offering a finish that is low maintenance, long lasting and timeless.

PORCELAIN PANELS

Porcelain panels are celebrated for their refined durability, combining the elegance of natural stone with the performance of modern design.

Resistant to wear, heat and stains, they offer a practical solution for everyday living while maintaining a timeless aesthetic that ensures lasting beauty.
